Planet 72 LTH

La nuova serie nasce come variante della serie Planet 72HT, differenziandosi per le barrette a taglio termico che le compongono.
Nella nuova serie è stato eliminato il cuore presente fra le barrette, che a loro volta sono state leggermente modificate per migliorare la chiusura nei casi dove l'anta presentava misure ridotte.
Oltre a questo c'è da considerare un risparmio sia in termini di peso che di costo.
